### Stand Out On Realtor.com® Without Even Trying ...

Another gem in the Realtor.com® assistance arena is the team of Carrie Gable, [RealSupport, Inc.](#), and her Real Estate Professional, [Joan Prout](#) (see this month's [SUCCESS STORY](#)). Joan's Realtor.com® ads are uniquely enhanced far beyond what other agents in her area are doing. Joan is receiving a number of inquiries via email for each of properties. As a result of a successful-buyer email campaign managed by Carrie, these prospects are being turned into clients! Utilizing a VA is how Joan is able to effectively handle her online inquiries and convert them to transactions, all while she is freed up to do what she does best.
